A Legacy of Excellence

St. Bonaventure School, under the guidance of Msgr. Michael Duffy and the Presentation Sisters, was founded as an institution for all God's children. Recognizing that the adults of tomorrow will require a rich variety of skills and attitudes to adapt to the challenges of the 21st century, our founders encouraged students to become life-long learners capable of exercising mastery of themselves, their talents, and their responsibilities.

This pursuit of excellence continues to guide our academic standards and spiritual enrichment. Our students regularly test in the top ten percent in the Nation in math and science, making St. Bonaventure School a 2006 No Child Left Behind Blue Ribbon School. Students benefit from a well-rounded education that incorporates rigorous academics with a commitment to Catholic faith formation, healthy lifestyles and social responsibility. St. Bonaventure students give back to those in need in the local Huntington Beach community and the world at large.

The true measure of a St. Bonaventure School education goes far beyond classroom walls. It creates a foundation built on faith and values. It gives students the tools to succeed with their academics, as adults and as Christians. It changes the world.

Tuition alone does not fund the actual cost of educating a child at St. Bonaventure School. As a result, we look to the annual giving campaign, A Legacy of Excellence to make up the difference. Gifts to St. Bonaventure School preserve the quality learning environment shared by all students.

To arrange a school tour or for more information about giving opportunities, please call the St. Bonaventure School Advancement Office at 714.846.2472 ext.156.

Q. What is the annual giving campaign, A Legacy of Excellence?

The annual giving campaign, A Legacy of Excellence is named in honor of Principal Emeritus, Sr. Carmel Lynch. Throughout her tenure, Sr. Carmel maintained a commitment to providing an affordable Catholic education for all God's children. Gifts to the Legacy of Excellence campaign show a commitment to St Bonaventure School, a belief in our mission and help keep tuition low so all children may experience a "Blue Ribbon" Christ-centered education.

Q. What does A Legacy of Excellence Fund?

Gifts to A Legacy of Excellence are unrestricted and support the budget which funds academic programs, teachers' salaries and benefits, facility improvements and technology. Gifts help make up the difference in our operating budget between tuition income and the actual cost of education. Contributions are tax-deductible, tuition is not.

Q. How much should I give to A Legacy of Excellence?

We hope that St. Bonaventure School will be one of your family's top philanthropic priorities and that each school family will contribute at a meaningful level. We appreciate all gifts, large and small. Gifts to A Legacy of Excellence are tax deductible.

Q. How can I participate?
